SUBJECT:

**Agenda for the October 28, 2014, Labor Management
Committee Meeting**

The Labor Management Committee will meet Tuesday, October 28, 2014 at 1:00 p.m. in the 1-2 Conference Room. The agenda is as follows:

Old Business

- 1) Overtime sign up for Nursing on computer – Nursing is still doing sign up on paper. We are currently having a lot of issues with this process. If we had a computerized program, the Union believes this would decrease the issues (Union)

New Business

- 1) Staff Development Center-The Union is requesting the camera be moved so that it only is viewing the door. The Union is requesting benches to be put back into the restrooms. The Union is also requesting bathroom curtains to be added to separate the showers from the toilet area.
- 2) Culinary Arts Office-Temp control of room. Extreme temperatures were reached in this office and the Union would like this to be looked into and a solution to this issue reached.

- 3) Firearms-The Union is requesting the policy that states that staff are not allowed to re-shoot more than once. What does policy state? Partnership should be entered on this subject to come up with a solution.
- 4) Puncture resistant gloves-The Union is requesting gloves be provided to all staff members and all new staff members hiring in.
- 5) Regurgitation mask-The Union is requesting mask to be provided to all staff members.
- 6) Management is not aware of any portal issues. Is the Union aware of any Portal issues? If so, please be prepared to discuss:
 - Specifically what work is being performed outside of duty hours?
 - Specifically who is performing the work?
 - When is this work being performed? To include the duration pre shift, post shift, and any lost duty free periods during the shift.
 - How is this work authorized?
 - Why can this work not be performed during regular duty hours? (Management)
