**Agenda for the August 26, 2014, Labor Management
Committee Meeting**

The Labor Management Committee will meet Tuesday, August 26, 2014 at 1:00 p.m. in the 1-2 Conference Room. The agenda is as follows:

Old Business

- 1) Overtime sign up for Nursing on computer – Nursing is still doing sign up on paper. We are currently having a lot of issues with this process. If we had a computerized program, the Union believes this would decrease the issues (Union)

New Business

- 1) TB-TB room update, updates to policy or add new policy to protect staff, better communication with staff on process.
- 2) Recreation CWS-add 7th position.
- 3) Management is not aware of any portal issues. Is the Union aware of any Portal issues? If so, please be prepared to discuss:
 - Specifically what work is being performed outside of duty hours?
 - Specifically who is performing the work?
 - When is this work being performed? To include the duration pre shift, post shift, and any lost duty free periods during the shift.
 - How is this work authorized?
 - Why can this work not be performed during regular duty hours? (Management)
